

# Giving you full control beyond your cold chain.

## Control your reefers, tractors and drivers all in one place.

### 1. Compliance

Our solution combines powerful ELD, FSMA, IFTA, DVIR capabilities all in one system.

### 2. Two Way Commands

Complete reefer control from your desktop or phone. Pre-set mode and temperature for anytime with our batch commands.

### 3. Integrations

Easily connects to your existing business systems from McLeod to TMW, Appian and more.

 <p><b>Integrated software &amp; hardware</b></p>	 <p><b>Reefer Alerting</b></p>	 <p><b>Core Temperature Monitoring</b></p>	 <p><b>Power Management</b></p>	 <p><b>Reefer Fuel Level</b></p>
 <p><b>ABS / EBS Monitoring</b></p>	 <p><b>Door Detection</b></p>	 <p><b>Two-way Remote Commands</b></p>	 <p><b>Tire Inflation</b></p>	 <p><b>Maintenance / Service Manager</b></p>

# Return on Investment

- 1. Reduce time to investigate incidents
- 2. Plan and schedule maintenance
- 3. Optimize staff and asset utilization
- 4. Health & Safety compliance
- 5. Quantifiable quality control
- 6. Paperless solution

“I recommend Coretex because the solution has proven to be a reliable provider of real-time information that supports efficient operations and safely protects the integrity of our customers’ cold chain.”
